Why Choose Us?

Champion Instructors

Learn directly from Esther Ochieng, Kenya's premier barista instructor and industry veteran. We bring real-world champion experience to your training.

SCA Certified

Our curriculum strictly follows the internationally recognized Specialty Coffee Association (SCA) guidelines, guaranteeing global career opportunities.

State-of-the-Art Labs

Train on industry-leading espresso machines, professional roasting equipment, and fully equipped sensory labs designed for mastery.

Farm-to-Cup Experience

We don't just teach coffee making; we teach the entire supply chain. From visiting local Kenyan coffee farms to understanding processing methods and green coffee quality, our students graduate as complete coffee professionals.
